Notes:-

1. The Ministry of Corporate Affairs (hereinafter referred to as the said “MCA”) permitted holding of the AGM through VC/OAVM, without physical presence of the Members at a common venue. Accordingly, in compliance with the MCA Circulars, AGM of the Company is being held through VC/OAVM. The Registered Office of the Company shall be deemed to be the venue for the AGM. [General Circular Nos. 14/2020 dated April 8, 2020 and 17/2020 dated April 13, 2020, in relation to “Clarification on passing of ordinary and special resolutions by companies under the Companies Act, 2013”, General Circular Nos. 20/2020 dated May 5, 2020 and subsequent circulars issued in this regard, the latest being 03/2025 dated September 22, 2025, collectively referred to as “MCA Circulars”]. In case any member is desirous of obtaining hard copy of the Annual Report for the financial year 2026 and Notice of the 27th AGM of the Company, may send request to the Company’s e-mail address at cs@gtecjainxeducation.com mentioning Folio No./DP ID and Client ID.
2. Generally, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself / herself and the proxy need not be a member of the Company. Since this AGM is being held through VC / OAVM, the requirement of physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed hereto. However, the Body Corporates are entitled to appoint their authorised representatives to attend the AGM through VC / OAVM and participate thereat and cast their votes through e-voting.
3. Brief Profile under sub-regulation (3) of Regulation 36 of the SEBI (Listing Obligations and Disclosure Requirements), Regulations 2015 and in terms of Secretarial Standard-2 issued by the Institute of Company Secretaries of India in respect of the Director(s) seeking re-appointment at the 27th Annual General Meeting forms part of this notice.
4. **Book Closure:**
The Register of Members and Share Transfer Books of the Company will remain closed from Wednesday, September 16th, 2026 to Wednesday, September 23rd, 2026 (both days inclusive).

As per Regulation 40 of the Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form.

Members can contact the Company or Company's Registrar and Transfer Agents- MUFG Intime India Private Limited (Formerly Link Intime India Private Limited) for assistance in this regard.

5. To support the "Green Initiative", Members who have not registered their email addresses are requested to register the same with the Company's Registrar and Share Transfer Agent/their Depository Participants, in respect of shares held in physical/electronic mode, respectively.
6. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number(PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their Depository Participant in case the shares are held in electronic form and to M/s. MUFG Intime India Private Limited (Formerly Link Intime India Private Limited), in case the shares are held in physical form.
7. In case of joint holders attending the AGM, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.
8. Effective April 1, 2024, SEBI has mandated that the shareholders, who hold shares in physical mode and whose folios are not updated with any of the KYC details viz. (i) PAN (ii) Choice of Nomination (iii) Contact Details (iv) Mobile Number (v) Bank Account Details and (vi) Signature, shall be eligible to get dividend only in electronic mode. Accordingly, payment of dividend(as and When declared), subject to approval at the AGM, shall be paid to physical holders only after the above details are updated in their folios. Shareholders are requested to complete their KYC by writing to the Company's RTA, MUFG Intime India Private Limited (Formerly Link Intime India Private Limited). The forms for updating the same are available at Company's website www.gtecjainxeducation.com and RTA, MUFG Intime India Private Limited (Formerly Link Intime India Private Limited)
9. Transfer of Unclaimed/Unpaid amounts to the Investor Education and Protection Fund (IEPF):

Members are requested to note that dividends not uncashed or remaining unclaimed for a period of 7 (seven) years from the date of transfer to the Company's Unpaid Dividend Account, shall be transferred to the Investor Education and Protection Fund ("IEPF") established by the Central Government. Further, pursuant to the provisions of Section 124 of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules") as amended to date, all shares on which dividend has not been paid or claimed for seven consecutive years or more shall be transferred to IEPF Authority as notified by the Ministry of Corporate Affairs.

The Members/Claimants whose shares, unclaimed dividend, and debenture interest amount have been transferred to IEPF may claim the shares or apply for refund by making an application to IEPF Authority in Form IEPF 5 (available on www.iepf.gov.in). The Member/Claimant can file only one consolidated claim in a Financial Year as per the IEPF Rules. Members are requested to contact the Company's Registrar and Share Transfer Agent to claim the unclaimed/ unpaid dividends at the following address: MUFG Intime India Private Limited (Formerly Link Intime India Private Limited).

10. Members holding shares in physical form are requested to advise any change of address immediately to the Company's Registrar and Share Transfer Agent. Members holding shares in electronic form must send the advice about change in address to their respective Depository Participant only and not to the Company or the Company's Registrar and Share Transfer Agent.

11. Updation of Members' Details:

The format of the Register of Members prescribed by the Ministry of Corporate Affairs under the Act requires the Company/ Registrar and Share Transfer Agent to record additional details of Members, including their PAN details, email address, bank details for payment of dividend, etc. A form for capturing these additional details is appended at the end of this Annual Report. Members holding shares in physical form are requested to submit the filled-in form to the Company or to its Registrar and Share Transfer Agent. Members holding shares in electronic form are requested to submit the details to their respective Depository Participant.

12. Nomination Facility:

As per the provisions of Section 72 of the Act and Rule 19(1) of the Companies (Share Capital and Debentures) Rules, 2014, as amended, Members holding shares in physical form may file nomination in the prescribed Form SH-13 with the Company's Registrar and Share Transfer Agent. In respect of shares held in dematerialized form, the nomination form may be filed with the respective Depository Participant.

13. All documents referred to in the accompanying Notice and the Explanatory Statement shall be open for inspection by the Members by writing an e-mail to the Ms. Priyanka Pandey (CS) at cs@gtecjainxeducation.com.

14. In compliance with the aforesaid MCA Circulars and SEBI Circulars, Notice of the AGM along with the Annual Report 2025-26 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. Members may note that the Notice and the Annual Report 2025-26 will also be available on the Company's website at

www.gtecjainxeducation.com, on the website of the Stock Exchanges, National Stock Exchange of India Limited at www.nseindia.com, and on the website of Depository.

15. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
16. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

I) Indian Economy Overview

The Indian economy demonstrated strong resilience during FY 2025-26 despite global economic uncertainties, geopolitical developments and trade-related challenges. As per the latest official estimates, India's real GDP grew by **7.6% during FY 2025-26**, compared with 7.1% in FY 2024-25, while real Gross Value Added (GVA) grew by **7.7%**. Growth was supported by domestic demand, investment activity and continued expansion across key sectors of the economy.

India continues to remain one of the fastest-growing major economies, supported by its large domestic market, demographic advantage, expanding digital economy, infrastructure investment and ongoing structural reforms.

For the education and skill development sector, India's economic growth creates significant opportunities. The growing economy requires a larger pool of skilled and employable manpower across technology, finance, data, artificial intelligence, digital business and other emerging sectors. The increasing need for upskilling, reskilling and industry-relevant education is expected to support the long-term growth of the professional education and training industry.

The company continues to monitor economic developments and believes that India's demographic strength, increasing adoption of technology and growing focus on employability provide significant opportunities for education and skill development providers. The Company's focus remains on aligning its programmes with evolving industry requirements and emerging employment opportunities.

II) GLOBAL ECONOMY

The global economy continued to face an uncertain environment during 2025-26. While technology investment and private-sector adaptability have supported economic activity, geopolitical tensions, trade disruptions and financial uncertainty continue to influence the global outlook.

Although the global economy continues to be affected by downside risks arising from conflict, trade fragmentation, commodity prices and financial conditions, however, at the same time, the increasing adoption of Artificial Intelligence, data technologies, automation and digital transformation is changing the global employment and skills landscape. Businesses and individuals are increasingly required to continuously upgrade their capabilities to remain relevant in a rapidly evolving technology environment.

This transition creates opportunities for professional education and training companies capable of providing relevant, practical, industry-oriented and continuously updated learning programmes.

III) INDUSTRY OVERVIEW – IT EDUCATION, PROFESSIONAL TRAINING AND SKILL DEVELOPMENT

The education and training industry is undergoing significant transformation due to rapid technological developments, changing employment requirements and the increasing importance of practical and industry-relevant skills.

The traditional approach of acquiring a qualification once and relying on it throughout a career is gradually being supplemented by continuous learning, upskilling and reskilling. Employers increasingly seek candidates with practical capabilities, technology skills, industry certifications and the ability to adapt to changing work requirements.

The demand for skills in Artificial Intelligence, Machine Learning, Data Analytics, Data Science, Cybersecurity, Cloud Technologies, Enterprise Applications such as SAP and Digital Marketing is expected to remain an important driver for the professional training sector.

The Government of India is also expanding its focus on future-ready skilling. The broader policy focus is also moving towards stronger alignment between education, skills and employment outcomes. Recent policy work has highlighted the importance of outcome-based skilling, industry participation, internships, credit recognition and better integration of education with employability.

For the company, these developments reinforce the importance of continuously updating its curriculum, strengthening industry and certification partnerships, improving practical learning and expanding access to emerging technology programmes.

The company provides career-oriented and professional training programmes through its education network and company's business is influenced by several important factors, including:

- Demand for job-oriented and professional education;
- Changing technology and industry requirements;
- Student and parent expectations regarding career outcomes;
- Availability of qualified faculty and trainers;
- Industry-recognised certifications;
- Centre and franchise network performance;
- Digital and online learning adoption;
- Student acquisition and conversion costs;
- Brand reputation and quality of academic delivery; and
- The ability to continuously introduce relevant programmes.

The company believes that its future growth will depend on its ability to develop a stronger portfolio of high-value programmes, leverage technology for centralised and scalable learning delivery, build

institutional and industry partnerships and strengthen the quality and performance of its centre network.

IV) FINANCIAL PERFORMANCE

A) Standalone Performance

During the year under review, the company's standalone total income was **₹555.63 Lakhs**, as compared with **₹533.90 Lakhs** during the corresponding previous year, reflecting growth in the company's total income.

The total comprehensive loss for the year stood at **₹42.23 Lakhs**, compared with a total comprehensive loss of **₹275.27 Lakhs** during the previous year.

The significant reduction in losses reflects an improvement in the financial performance of the company. Management continues to focus on improving revenue generation, operational efficiency, cost management and strengthening profitable business activities.

B) Consolidated Performance

During the year under review, the consolidated total income stood at **₹781.94 Lakhs**, as compared with **₹788.85 Lakhs** during the corresponding previous year.

The consolidated total comprehensive loss for the year stood at **₹92.41 Lakhs**, as compared with a loss of **₹337.86 Lakhs** during the previous year.

The management's focus remains on improving the quality of revenue, strengthening collections, improving centre productivity, controlling costs and developing scalable business opportunities.

V) BUSINESS AND STRATEGIC INITIATIVES

During the year and subsequent to the year under review, the company continued to focus on strengthening its academic offerings and identifying emerging opportunities in the education and skill development sector.

The company is focusing on programmes and initiatives in areas such as:

- Artificial Intelligence and AI tools;
- Machine Learning and Data Science;
- Data Analytics and Data Visualisation;
- SAP and Enterprise Applications;
- Digital Marketing;

- Website and Front-End Technologies;
- Industry and Global Certifications;
- Zoho-related programmes and certifications;
- GST and ITR-related practical training;
- Institutional and college partnerships; and
- Emerging technology and future-skills programmes.

The company's approach is to develop programmes that combine industry relevance, practical exposure, technology tools, certification opportunities and employability-oriented learning outcomes.

The company is also exploring opportunities to expand its online and hybrid learning capabilities, enabling expert faculty and specialised programmes to be delivered across a wider geographical area.

VI) OPPORTUNITIES

A. Artificial Intelligence and Emerging Technologies

Artificial Intelligence is transforming industries and redefining the skills required by students and professionals. The Government and industry are increasingly developing structured learning pathways across AI, Machine Learning, Data Science, Generative AI and other emerging technologies. This provides a significant opportunity for the company to develop relevant training programmes and continuously update its course portfolio.

B. Upskilling and Reskilling

Rapid technological change is increasing the need for continuous learning. Students, graduates and working professionals require new skills to remain relevant in the employment market. The company sees significant opportunities in providing short-term, modular, certification-oriented and advanced professional programmes for different learner categories.

C. Industry-Recognised Certifications

Industry and global certifications can strengthen the employability value proposition of training programmes. The company intends to explore and expand collaborations with technology, software and certification partners to offer programmes aligned with market requirements.

D. Online and Hybrid Learning

Technology enables specialised programmes to be delivered beyond the geographical limitations of individual centres. A stronger online and hybrid delivery model can help the company:

- Reach students across multiple locations;

- Optimise expert faculty utilisation;
- Offer specialised programmes from central locations;
- Improve standardisation of academic delivery; and
- Create scalable revenue opportunities.

E. College and Institutional Partnerships

The increasing focus on employability, skill development and integration of professional skills with formal education provides opportunities for collaboration with colleges and educational institutions. The company can explore programmes, certifications, workshops, technology training and institutional partnerships aligned with evolving educational and employment requirements.

F. NEP and Credit-Based Learning Opportunities

The evolving education ecosystem and the focus on flexible learning, skill recognition and credit-based frameworks may create opportunities for education and training institutions to collaborate with colleges and learners. The company intends to evaluate opportunities relating to relevant education frameworks, institutional partnerships and credit-linked learning initiatives, subject to applicable regulations and approvals.

G. Franchise and Network Expansion

A well-managed franchise and centre network can provide opportunities for geographical expansion with relatively efficient capital deployment. However, future expansion will need to focus on centre quality, financial discipline, academic standards, technology adoption and sustainable unit economics rather than expansion based solely on the number of centres.

VII) THREATS, RISKS AND CONCERNS

A. Rapid Technology Obsolescence: Technology courses can become outdated quickly. AI and other emerging technologies are evolving rapidly, requiring continuous curriculum review and faculty upskilling.

Mitigation: Regular curriculum revision, industry engagement, trainer development and introduction of updated technology tools.

B. Intense Competition: The company operates in a highly competitive environment, including competition from EdTech companies, universities, colleges, independent training providers, online learning platforms and technology companies.

Mitigation: Focus on practical training, industry relevance, certifications, learner outcomes, brand development and quality delivery.

D. Changing Student Expectations: Students increasingly expect practical learning, access to modern tools, certifications, career guidance and placement support. Failure to meet communicated expectations may affect student satisfaction and brand reputation.

Mitigation: Clear communication, defined course deliverables, improved academic monitoring and continuous student feedback.

E. Centre and Franchise Performance Risk: Variations in the performance and compliance of centres may affect revenue, collections, academic quality and brand reputation.

Mitigation: Stronger ERP monitoring, regular academic and operational reviews, standard operating procedures, compliance monitoring and financial discipline.

F. Collection and Receivable Risk: Outstanding student fees and franchise-related receivables can affect working capital and cash flows.

Mitigation: Strengthening collection systems, regular ageing analysis, ERP monitoring and timely follow-up and recovery actions.

VIII) OUTLOOK

The outlook for the IT education, professional training and skill development sector remains positive over the medium to long term. India's demographic advantage, digital transformation, expansion of the technology economy and increasing requirement for employable skills are expected to create continued demand for education and professional training.

At the same time, the sector is changing rapidly. Success will depend not merely on offering traditional computer courses, but on the ability to continuously provide **relevant, practical, industry-aligned and outcome-oriented learning**.

The company intends to focus on the following strategic priorities:

1. **Strengthening high-growth technology and professional programmes**, particularly in AI, Data, Analytics, SAP and other emerging domains.
2. **Expanding industry and certification partnerships** to improve programme relevance and learner outcomes.
3. **Developing scalable online and hybrid learning capabilities**.
4. **Strengthening college and institutional partnerships**.
5. **Improving centre productivity and academic standardisation**.

6. **Strengthening franchise governance, collections and financial discipline.**
7. **Improving student learning outcomes and career-oriented services.**
8. **Expanding into new business opportunities and markets** where supported by sustainable economics.
9. **Leveraging technology and AI** to improve learning delivery, operations and customer engagement.
10. **Improving profitability and operational efficiency** through disciplined growth and cost management.

The company believes that the growing demand for future-ready skills presents significant opportunities. However, the ability to capture these opportunities will depend on effective execution, continuous curriculum innovation, strong academic quality, financial discipline and the ability to adapt rapidly to technological and market changes.

IX) CAUTIONARY STATEMENT: Statements in this Management Discussion and Analysis Report describing the company's objectives, expectations, projections, estimates and forecasts may be forward-looking statements within the meaning of applicable laws and regulations.

Actual results may differ materially from those expressed or implied due to various factors, including changes in economic conditions, industry developments, competition, technological changes, regulatory developments, availability of qualified personnel, market conditions and other factors beyond the company's control.

INDEPENDENT AUDITOR'S REPORT

**To The Members of G-Tec Jainx Education Limited
(Formerly Known as Keerti Knowledge and Skills Limited)**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of G-Tec Jainx Education Limited (the "Company"), which comprise the balance sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the statement of changes in equity and the statement of cash flows ended on that date, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") And other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibility under those standards are further described in the Auditor's Responsibility for the Audit of Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The Company's Board of directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, managements is responsible for assessing the Company's ability to continue as a going concern, disclosing, as a applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected on influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit

evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in Internal control that we identify during our audit.

We also provide those charges with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulations precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonable be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraph 3 and 4 of the order.
- 2) As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

 - c) The Balance Sheet, the Statement of profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.

- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- a. The Company does not have any pending litigations which would impact its financial position as on 31st March 2026.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - d. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ‘Intermediaries’, with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ‘Ultimate Beneficiaries’ or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - e. The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from

any person(s) or entity(ies), including foreign entities 'Funding Parties', with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly,

lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party 'Ultimate Beneficiaries' or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- f. Based on our audit procedures, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv) and (v) contain any material mis-statements.
- g. The Company has not declared any dividend during the year.
- h. Based on our examination which included test checks, the company has used accounting software's for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transaction recorded in the respective software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred in paragraph 2 (f) under ‘Report on Other Legal and Regulatory Requirements section of our report to the Members of **G-Tec Jainx Education Limited (Formerly Known as Keerti Knowledge and Skills Limited)** of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of subsection 3 of Section 143 of the Companies Act, 2013(“the Act”)

We have audited the internal financial controls over financial reporting of G-Tec Jainx Education Limited (the “Company”) as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the standards on auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these Standalone Financial Statements.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements .

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal financial control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial controls Over Financial Reporting issued by the ICAI.

NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2026

1. GENERAL INFORMATION

G-Tec Jainx Education Limited (Formerly Known as Keerti Knowledge And Skills Limited) (“the company”) is a public Limited Company, incorporated in India having its registered office at 302, B Wing, Pinnacle Corporate Park, Bandra Kurla Complex, Bandra East, Mumbai 400 051. The equity shares of the Company are listed on NSE Limited. The company is engaged in the field of Information Technology related computer services.

2. BASIS OF PREPARATION:

A. Statement of compliance

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under section 133 of the Companies Act, 2013 (“the Act”) and other relevant provisions of the Act.

These standalone or separate financial statements were approved by the Company’s Board of Directors and authorised for issue on 25th May 2026.

3. SIGNIFICANT ACCOUNTING POLICIES

A. Current and non-current classification

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

Assets: An asset is classified as current when it satisfies any of the following criteria:

- a) It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b) It is held primarily for the purpose of being traded;
- c) It is expected to be realized within twelve months after the reporting date; or

d) It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities: A liability is classified as current when it satisfies any of the following criteria:

a) It is expected to be settled in the Company's normal operating cycle;

b) It is held primarily for the purpose of being traded;

c) It is due to be settled within twelve months after the reporting date; or

d) The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other assets/ liabilities are classified as noncurrent. Based on the nature of products and the time between the acquisition of assets for processing and their realization in Cash or cash equivalents, the Company has ascertained its normal operating cycle as 12 months for the purpose of Current / Noncurrent classification of assets and liabilities.

B. Property, plant and equipment (PPE)

PPE is recognized when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any. Property, plant and equipment acquired on hire purchase basis are recognized at their cash values. For qualifying assets, borrowing costs are capitalized in accordance with the Company's accounting policy.

PPE not ready for the Ended use on the Balance Sheet date is disclosed as "capital work in-progress.

Depreciation is recognized using straight line method so as to write off the cost of the assets (other than freehold land and properties under construction) less their residual values over their useful

lives specified in Schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined.

Depreciation method is reviewed at each financial year end to reflect the expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end and the effect of any change in the estimates of useful life/ residual value is accounted on prospective basis.

Depreciation on additions to / deductions from, owned assets is calculated pro rata to the period of use.

An item of Property, plant and equipment is derecognized when it is estimated that Company will not receive future economic benefits from its use or upon its disposal. Any gains and losses on disposal of such item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized in the statement of profit and loss.

C. Depreciation and amortization

Depreciation method, estimated useful lives and residual values are determined based on technical parameters / assessment, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

The estimated useful life of Property, Plant & Equipment is aligned to the useful life specified under Schedule II to the Companies Act, 2013 except useful life for computing depreciation in the following case:

Assets	Useful Life (Years)
Buildings	30 - 60
Plant and Machinery	8 – 20
Office Equipment	5
Furniture & Fixtures	10
Vehicles	8 – 10
Computers	3
Energy Saving Equipment	15

Pollution Control Equipment	15
Electric Installations	10

The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the Property, Plant and Equipment are likely to be used.

Depreciation on additions to property, plant and equipment is provided on a pro-rata basis from the date of acquisition or installation, and in the case of a new project, from the date of commencement of commercial production.

Depreciation on an item of property, plant and equipment sold, discarded, demolished or scrapped, is provided up to the date on which such item of property, plant and equipment is sold, discarded, demolished or scrapped.

The Company reviews the residual value, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

D. Impairment of assets

As at the end of each accounting year, the Company reviews the carrying amounts of its PPE, investment property, intangible assets and investments in subsidiary company to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the said assets are tested for impairment so as to determine the impairment loss, if any. The intangible assets with indefinite life are tested for impairment each year.

Impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is determined:

- a) in the case of an individual asset, at the higher of the net selling price and the value in use; and
- b) in the case of a cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of the cash generating unit's net selling price and the value in use.

The amount of value in use is determined as the present value of estimated future cash flows from the continuing use of an asset and from its disposal at the end of its useful life. For this purpose,

the discount rate (pre-tax) is determined based on the weighted average cost of capital of the Company suitably adjusted for risks specified to the estimated cash flows of the asset.

For this purpose, a cash generating unit is ascertained as the smallest identifiable group of assets that generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets.

If recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, such deficit is recognized immediately in the Statement of Profit and Loss as impairment loss and the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss is recognized for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognized immediately in the Statement of Profit and Loss.

E. Financial Instruments

1) Financial assets

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instrument.

All financial assets are recognized at fair value on initial recognition. Financial assets are subsequently classified as measured at

- amortized cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVTOCI)

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of financial assets

The Company recognizes loss allowances for expected credit losses on:

- Financial assets measured at amortized cost;

At each reporting date, the Company assesses whether financial assets carried at amortized cost has impaired and provisions are made for impairment accordingly. A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward looking information.

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off.

ii) Financial liabilities

Financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss.

Financial liabilities are subsequently measured at amortized cost using the effective interest rate (EIR) method. Financial liabilities carried at fair value through profit or loss is measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

iii) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

F. Borrowing costs

Borrowing costs attributable to the acquisition or construction of fixed assets are capitalised as part of cost of the assets, up to the date the asset is put to use. Other Borrowing cost is charged to Statement of Profit & loss in the year in which they are incurred.

G. Income tax

Income tax comprises current and deferred tax. It is recognized in statement of profit or loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date. Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognized in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses the Company recognizes a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realized. Deferred tax assets- unrecognized or recognized, are reviewed at each reporting date and are recognized /reduced to the extent that it is probable/no longer probable respectively that the related tax benefit will be realized.

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each balance sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

H. Inventories

Inventories are valued at the lower of cost and net realizable value after providing for obsolesces and damages as under:

(i) Raw and packing materials, stores and spares including fuel: At Cost on FIFO basis

(ii) Stock in trade and Finished Goods: At Cost plus appropriate overheads

Cost includes cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in first out (FIFO) basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

I. Cash and cash equivalents

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

J. Provision and contingent liabilities

The Company sets up a provision when there is a present legal or constructive obligation as a result of a past event and it will probably require an outflow of resources to settle the obligation and a reliable estimate can be made. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation.

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or where reliable estimate of the obligation cannot be made. Contingent liabilities are disclosed on the basis of judgment of the management/independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

K. Revenue recognition

A. Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration that the Company expects to receive in exchange for those products or services.

B. Revenues from Products are recognized at a point in time when control of the goods passes to the customer, usually upon delivery of the goods.

C. The Company Presents revenues net of indirect taxes in its statement of profit and loss.

D. Revenues in excess of invoicing are classified as contract assets (which may also refer as unbilled revenues) while invoicing in excess of revenues are classified as contract liabilities (which may also refer to as unearned revenues).

E. Government Subsidy

Subsidy has been recognized by the company on the basis of the notification received from the ministry of chemicals and fertilizers from time to time.

F. other Revenue:

Interest income :

Interest income is recognized as interest accrues using the effective interest method ("EIR" that is the rate that exactly discounts estimated future receipts through the expected life of the financial instrument to the net carrying amount of the financial assets.

Rental income

Rental income arising from operating leases or on properties is accounted for on a straight-line basis over the lease terms and is included in other non-operating income in the statement of profit and loss.

Insurance claims

Insurance claims are accounted for as when admitted by the concerned authority.

L. Earnings per share

Basic earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the company by the weighted average number of equity shares outstanding during the financial year.

Diluted earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the company by the weighted average number of equity shares considered for deriving basic earning per equity share and also the weighted average number of equity share that could have been issued upon conversion of all dilutive potential equity shares.

4. Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's standalone financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the related disclosures.

Significant management judgements

a) Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.

b) Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

c) Contingent liabilities– At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

d) Provisions – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

Significant estimates

a) Impairment of financial assets – At each balance sheet date, based on historical default rates observed over expected life, existing market conditions as well as forward looking estimates, the management assesses the expected credit losses on outstanding receivables and advances. Further, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with industry and country in which the customer operates.

b) Useful lives of depreciable/amortisable assets – Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utilisation of assets.

“Annexure A” to the Independent Auditor’s Report

Referred to in paragraph 9 of the independent Auditor’s Report of even date to the members of G-Tec Jainx Education Limited (Formerly Known as Keerti Knowledge and Skills Limited) on the financial statement as of and for the year ended March 31, 2026.

(1) (a) (A) In our Opinion and according to the information given to us, the company is maintaining proper records showing full particulars, including quantitative details and situation of its Property, Plant & Equipment.

(B) The Company has maintained proper records showing full particulars of Intangible assets.

(b) In our Opinion and according to the information given to us, the Property, Plant & Equipment have been physically verified by the management at reasonable intervals and no material discrepancies were noticed on such verification.

(c) In our Opinion and according to the information given to us and on the basis of our examination of the records of the Company, the company does not hold any immovable property during the year, hence 3(i)(c) is not applicable.

(d) The Company has not revalued its Property, Plant and Equipment (including Right-of-Use assets, wherever applicable) or intangible assets during the year.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder

(2) (a) The Company holds inventory. The inventory has been physically verified by the management at reasonable intervals during the year. In our opinion, the coverage and procedure of such verification are appropriate having regard to the size of the Company and the nature of its operations, and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such verification

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned working capital limits in excess of ₹5 crore, in aggregate, at any point of time during the year from banks or financial institutions on the basis of security of current assets. Accordingly, reporting under clause 3(ii)(b) of the Order is not applicable.

(3) (a) During the year, the Company has granted loans / advances in the nature of loans to its wholly owned subsidiaries. The Company has not provided any guarantee or security during the year. The details are as follows:

(Rs. in Lakhs)

Particulars	Loans/ advances

- Repayable on demands (A)	-	-	613.56
Aggregate does not specify any terms or period of repayment (B)	-	-	
Total (A+B)	-	-	613.56
Percentage of Loans/ advances			100%

(4) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.

(5) In our Opinion and according to the information and explanation given to us, the company has not accepted any deposit from the public within the meaning of section 73 to 76 or any other relevant provisions of the Companies Act, 2013.

(6) According to the information and explanations given to us Central Government has not prescribed the maintenance of cost records under sub section (1) of section 148 of the Companies Act, 2013 in respect of activities carried by the Company. Therefore, this clause is not applicable to the given company during the relevant year.

(7) (a) According to the information and explanations given to us and on the basis of our examination of the records of the company, the company has been generally regular in depositing undisputed statutory dues, including Income-tax, GST, Cess and other material statutory dues, as applicable, with the appropriate authorities. As explained to us, the company did not have any dues on account of Provident fund, ESIC, Sales Tax, Custom Duty and excise duty.

According to the information and explanation given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31st, 2026 for a period of more than six months from the date on when they become payable.

(8) According to the information and explanations given to us and to the best of our knowledge and belief there are no transactions that were not recorded in the books of account, and which has been

surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

(9) a) As per the information and explanation given to us and based on examination of records of the company, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

c) In our opinion and according to the information and explanations given to us, the Company has not borrowed any term loans during the year.

d) According to the information and explanations given to us, and the audit procedures performed by us, and on an overall examination of the Financial Statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.

e) According to the information and explanations given to us and on an overall examination of the Financial Statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

f) According to the information and explanations given to us and audit procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.

(10) a) According to the records of the company examined by us and as per the information and explanations given to us, the Company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year.

b) As per the information and explanation given to us and based on examination of records of the company, the company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year.

11) a) As per the information and explanation given to us and based on examination of records of the company, no fraud by the company nor any fraud on the company has been noticed or reported during the year.

b) As per the information and explanation given to us and based on examination of records of the company, no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with Central Government.

c) As per the information and explanation given to us and based on examination of records of the company, no whistle-blower complaints have been received

12) As per the information and explanation given to us and based on examination of records of the company, the Company is not a Nidhi Company hence, reporting under clause xii of the Order not applicable.

13) As per the information and explanation given to us and based on examination of records of the company, all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act where ever applicable and the details have been disclosed in the financial statements, etc., as required by the applicable accounting standards.

14) a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.

b) We have considered the internal audit reports of the Company issued till date, for the period under audit.

15) As per the information and explanation given to us and based on examination of records of the company, the company has not entered into any non-cash transactions with Directors nor persons connected with them. The provisions of section 192 of Companies Act have been complied.

16) a) In our opinion, the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi) a, b and c of the Order is not applicable.

b) In our opinion, there is no core investment company within the group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

17) The company has incurred cash losses in the current financial year and in the immediately preceding financial year.

18) During the year there has not been any resignation of statutory auditors.

19) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Financial Statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing

has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

20) a) & b) On the basis of the information and explanations given to us and our examination of the records of the Company, the provisions of Section 135 of the Companies Act, 2013 relating to Corporate Social Responsibility are not applicable to the Company. Accordingly, reporting under clauses 3(xx)(a) and 3(xx)(b) of the Order is not applicable

21) There have not been any qualifications or adverse remarks

II. Financial Risk Management

The company has exposure to the following risk arising from financial instruments:

- Credit Risk
- Liquidity Risk; and
- Market Risk

i. Risk management framework

The company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established the processes to ensure that executive management controls risks through the mechanism of properly defined framework.

The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed by the board annually to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company's Audit Committee oversees compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Audit Committee is assisted in its oversight role by Internal Audit. Internal Audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to its Audit Committee.

ii. Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Company's receivables from customers and loan given.

The carrying amount of following financial assets represents the maximum credit exposure.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate.

The Company Management has established a credit policy under which each new customer is analyzed individually for creditworthiness before the company's standard payment and delivery terms and conditions are offered.

iii. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial assets. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the cash flows generated from operations to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, the Company's treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the Company's liquidity position comprising the undrawn borrowing facilities and cash and cash equivalent on the basis of expected cash flows. This is generally carried out in accordance with practice and limits set by the company. In addition, the Company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

a) Maturities of financial liabilities

The following are the remaining contractual maturities of financial liabilities at the reporting date.

(Rs in Lakhs)

Particulars	As at 31st March, 2026			As at 31st March, 2025		
	Carrying Amount	Total	Contractual cash flows : With in 1 Years	Carrying Amount	Total	Contractual cash flows : With in 1 Years

Total Financial Liabilities	104.88	104.88	104.88	94.09	94.09	94.09

iv. Market Risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and commodity prices which will affect the Company's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market exposures within acceptable parameters, while optimising the return.

Currency risk : As company does not deals in foreign currencies, therefore this risk mitigates for the company.

Commodity risk: As company deals in services sector, therefore this risk mitigates for the company.

Interest Risk: As the Company does not have any borrowings from outsider, therefore this risk mitigates for the company.

Note 36 : CAPITAL MANAGEMENT

INDEPENDENT AUDITOR'S REPORT

**TO THE MEMBER OF G-TEC JAINX EDUCATION LIMITED
(FORMERLY KNOWN AS KEERTI KNOWLEDGE AND SKILLS LIMITED)**

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated financial statements of G-Tec Jainx Education Limited (hereinafter referred to as the "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), which comprise the balance sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the statement of changes in equity and the statement of cash flows ended on that date, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") And other accounting principles generally accepted in India, of the state of affairs of the Group as at March 31, 2026, the consolidated loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibility under those standards are further described in the Auditor's Responsibility for the Audit of Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The Holding Company's Management and Board of directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, managements is responsible for assessing the Group's ability to continue as a going concern, disclosing, as a applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in Internal control that we identify during our audit.

We also provide those charges with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulations precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonable be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1) As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid Consolidated financial statements comply with the Ind AS specified under section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Group's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Group does not have any pending litigations which would impact its financial position as on 31st March 2026.
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group.
 - iv. The management has represented that, to the best of its knowledge and belief, other than

as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities 'Intermediaries', with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company 'Ultimate Beneficiaries' or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- v. The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities 'Funding Parties', with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party 'Ultimate Beneficiaries' or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- vi. Based on our audit procedures, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv) and (v) contain any material mis-statements
- vii. The Company has not declared any dividend during the year.
- viii. Based on our examination which included test checks, the company has used accounting software's for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transaction recorded in the respective software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Act.

1. In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2026, we have audited the internal financial controls over financial reporting of **G-Tec Jainx Education Limited (Formerly Known as Keerti Knowledge And Skills Limited)** (hereinafter referred to as “the Holding Company”) in conjunction with our audit of the consolidated financial statement of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

2. The Respective Board of Directors of the Holding Company and its subsidiary companies, which are incorporated in India, to the extent applicable, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

3. Our Responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our Audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend

on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained, during the audit of Holding Company, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting; for providing an opinion on the internal financial controls system of the Subsidiary Companies which are not incorporated in India (Foreign Subsidiaries) we have relied upon the audit opinion given by their respective auditors in reference to the same.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transaction and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the Management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company and its subsidiary companies, which are companies Incorporated in India, to the extent applicable, have in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on

Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. GENERAL INFORMATION

G-Tec Jainx Education Limited (Formerly Known as Keerti Knowledge And Skills Limited) ("the Holding") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") is a Public Limited Company, incorporated in India having its registered office at Unit No 12/A, Ninth Floor, A-Wing, Pinnacle Corporate Park, Bandra Kurla Complex, Bandra East, Mumbai 400 051. The equity shares of the Group are listed on NSE Limited.

2. BASIS OF PREPARATION:

A. Statement of compliance

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under section 133 of the Companies Act, 2013 ("the Act") and other relevant provisions of the Act.

These consolidated financial statements were approved by the Company's Board of Directors and authorised for issue on 25.05.2026

3. SIGNIFICANT ACCOUNTING POLICIES

A. Current and non-current classification

All the assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

Assets: An asset is classified as current when it satisfies any of the following criteria:

- a) It is expected to be realized in, or is intended for sale or consumption in, the Group's normal operating cycle;
- b) It is held primarily for the purpose of being traded;
- c) It is expected to be realized within twelve months after the reporting date; or
- d) It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities: A liability is classified as current when it satisfies any of the following criteria:

- a) It is expected to be settled in the Group's normal operating cycle;
- b) It is held primarily for the purpose of being traded;

- c) It is due to be settled within twelve months after the reporting date; or
- d) The Group does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other assets/ liabilities are classified as noncurrent. Based on the nature of products and the time between the acquisition of assets for processing and their realization in Cash or cash equivalents, the Group has ascertained its normal operating cycle as 12 months for the purpose of Current / Noncurrent classification of assets and liabilities.

B. Property, plant and equipment (PPE)

PPE is recognized when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any. Property, plant and equipment acquired on hire purchase basis are recognized at their cash values. For qualifying assets, borrowing costs are capitalized in accordance with the Group's accounting policy.

For transition to Ind AS, the Group has elected to adopt as deemed cost, the carrying value of PPE measured as per I-GAAP less accumulated depreciation and cumulative impairment on the transition date of 1st April, 2019.

PPE not ready for the Ended use on the Balance Sheet date is disclosed as "capital work in-progress."

Depreciation is recognized using straight line method so as to write off the cost of the assets (other than freehold land and properties under construction) less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined.

Depreciation method is reviewed at each financial year end to reflect the expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end and the effect of any change in the estimates of useful life/ residual value is accounted on prospective basis.

Depreciation on additions to / deductions from, owned assets is calculated pro rata to the period of use.

An item of Property, plant and equipment is derecognized when it is estimated that Group will not receive future economic benefits from its use or upon its disposal. Any gains and losses on disposal of such item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized in the statement of profit and loss.

C. Depreciation and amortization

Depreciation method, estimated useful lives and residual values are determined based on technical parameters / assessment, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

The estimated useful life of Property, Plant & Equipment is aligned to the useful life specified under Schedule II to the Companies Act, 2013 except useful life for computing depreciation in the following case:

Assets	Useful Life (Years)
Buildings	30 - 60
Plant and Machinery	8 - 20
Office Equipment	5
Furniture & Fixtures	10
Vehicles	8 - 10
Computers	3
Energy Saving Equipment	15
Pollution Control Equipment	15
Electric Installations	10

The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the Property, Plant and Equipment are likely to be used.

Depreciation on additions to property, plant and equipment is provided on a pro-rata basis from the date of acquisition or installation, and in the case of a new project, from the date of commencement of commercial production.

Depreciation on an item of property, plant and equipment sold, discarded, demolished or scrapped, is provided up to the date on which such item of property, plant and equipment is sold, discarded, demolished or scrapped.

The Group reviews the residual value, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

D. Impairment of assets

As at the end of each accounting year, the Group reviews the carrying amounts of its PPE, investment property, intangible assets and investments in subsidiary Group to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the said assets are tested for impairment so as to determine the impairment loss, if any. The intangible assets with indefinite life are tested for impairment each year.

Impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is determined:

- a) in the case of an individual asset, at the higher of the net selling price and the value in use; and
- b) in the case of a cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of the cash generating unit's net selling price and the value in use.

The amount of value in use is determined as the present value of estimated future cash flows from the continuing use of an asset and from its disposal at the end of its useful life. For this purpose, the discount rate (pre-tax) is determined based on the weighted average cost of capital of the Group suitably adjusted for risks specified to the estimated cash flows of the asset

For this purpose, a cash generating unit is ascertained as the smallest identifiable group of assets that generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets.

If recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, such deficit is recognized immediately in the Statement of Profit and Loss as impairment loss and the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount, but so that the

increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss is recognized for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognized immediately in the Statement of Profit and Loss.

E. Financial Instruments

1) Financial assets

Financial assets are recognized when the Group becomes a party to the contractual provisions of the instrument.

All financial assets are recognized at fair value on initial recognition. Financial assets are subsequently classified as measured at

- amortized cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVTOCI)

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Group changes its business model for managing financial assets.

Derecognition

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of financial assets

The Group recognizes loss allowances for expected credit losses on:

- Financial assets measured at amortized cost;

At each reporting date, the Group assesses whether financial assets carried at amortized cost has impaired and provisions are made for impairment accordingly. A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Group considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Group's historical experience and informed credit assessment and including forward looking information.

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Group in accordance with the contract and the cash flows that the Group expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Group determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off.

ii) Financial liabilities

Financial liabilities are recognized when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss.

Financial liabilities are subsequently measured at amortized cost using the effective interest rate (EIR) method. Financial liabilities carried at fair value through profit or loss is measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

iii) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

F. Borrowing costs

Borrowing costs attributable to the acquisition or construction of fixed assets are capitalised as part of cost of the assets, up to the date the asset is put to use. Other Borrowing cost is charged to Statement of Profit & loss in the year in which they are incurred.

G. Income tax

Income tax comprises current and deferred tax. It is recognized in statement of profit or loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date. Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognized in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses the Group recognizes a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realized. Deferred tax assets- unrecognized or recognized, are reviewed at each reporting date and are recognized /reduced to the extent that it is probable/no longer probable respectively that the related tax benefit will be realized.

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the specified

period. Such asset is reviewed at each balance sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Group will pay normal income tax during the specified period.

H. Inventories

Inventories are valued at the lower of cost and net realizable value after providing for obsolesces and damages as under:

- (i) Raw and packing materials, stores and spares including fuel: At Cost on FIFO basis
- (ii) Stock in trade and Finished Goods: At Cost plus appropriate overheads

Cost includes cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in first out (FIFO) basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

I. Cash and cash equivalents

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

J. Provision and contingent liabilities

The Group sets up a provision when there is a present legal or constructive obligation as a result of a past event and it will probably require an outflow of resources to settle the obligation and a reliable estimate can be made. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation.

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or where reliable estimate of the obligation cannot be made. Contingent liabilities are disclosed on the basis of judgment of

the management/ independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

K. Revenue recognition

A. Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration that the Group expects to receive in exchange for those products or services.

B. Revenues from Products are recognized at a point in time when control of the goods passes to the customer, usually upon delivery of the goods.

C. The Group Presents revenues net of indirect taxes in its statement of profit and loss.

D. Revenues in excess of invoicing are classified as contract assets (which may also refer as unbilled revenues) while invoicing in excess of revenues are classified as contract liabilities (which may also refer to as unearned revenues).

E. Government Subsidy

Subsidy has been recognized by the Group on the basis of the notification received from the ministry of chemicals and fertilizers from time to time.

F. other Revenue:

Interest income :

Interest income is recognized as interest accrues using the effective interest method ("EIR that is the rate that exactly discounts estimated future receipts through the expected life of the financial instrument to the net carrying amount of the financial assets.

Rental income

Rental income arising from operating leases or on properties is accounted for on a straight-line basis over the lease terms and is included in other non-operating income in the statement of profit and loss.

Insurance claims

Insurance claims are accounted for as when admitted by the concerned authority.

L. Earnings per share

Basic earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Group by the weighted average number of equity shares outstanding during the financial year.

Diluted earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Group by the weighted average number of equity shares considered for deriving basic earning per earning per equity share and also the weighted average number of equity share that could have been issued upon conversion of all dilutive potential equity shares.

4. Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Group's standalone financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the related disclosures.

Significant management judgements

a) Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Group's future taxable income against which the deferred tax assets can be utilized.

b) Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

c) Contingent liabilities– At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Group assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

d) Provisions – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Group assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

Significant estimates

a) Impairment of financial assets – At each balance sheet date, based on historical default rates observed over expected life, existing market conditions as well as forward looking estimates, the management assesses the expected credit losses on outstanding receivables and advances. Further, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with industry and country in which the customer operates.

b) Useful lives of depreciable/amortisable assets – Management reviews its estimate of the useful lives of

depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utilisation of assets.

II. Financial Risk Management

The Group has exposure to the following risk arising from financial instruments:

- Credit Risk
- Liquidity Risk; and
- Market Risk

i. Risk management framework

The Group company's board of directors has overall responsibility for the establishment and oversight of the Group company's risk management framework. The board of directors has established the processes to ensure that executive management controls risks through the mechanism of property defined framework.

The Group company's risk management policies are established to identify and analyze the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed by the board annually to reflect changes in market conditions and the Group company's activities. The Group, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Group company's Audit Committee oversees compliance with the Group company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Audit Committee is assisted in its oversight role by Internal Audit. Internal Audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to its Audit Committee.

ii. Credit Risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Group's receivables from customers and loan given.

The carrying amount of following financial assets represents the maximum credit exposure.

Trade and other receivables

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate.

The Group Company Management has established a credit policy under which each new customer is analyzed individually for creditworthiness before the company's standard payment and delivery terms and conditions are offered.

iii. Liquidity risk

Liquidity risk is the risk that the Group company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial assets. The group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the group's reputation.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the cash flows generated from operations to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, the Group's treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the group liquidity position comprising the undrawn borrowing facilities and cash and cash equivalent on the basis of expected cash flows. This is generally carried out in accordance with practice and limits set by the company. In addition, the Group Company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.
